SHAFALI SONKER

Frontend Developer

About Me:

Innovative and detail-oriented Fresher Front End Developer with a passion for creating responsive and user-friendly websites. Skilled in collaborating with back-end developers, utilizing version control systems, and staying up-to-date on emerging technologies.

Work Experience:

Food Delivery App

Developed a responsive, mobile-friendly restaurant website with React, featuring a menu, history section, photo gallery, and table booking form.

Restuarant Website

Crafted a responsive, mobile-friendly restaurant website with React, showcasing a dynamic menu, history section, photo gallery, and table booking form.

Task management web app

Optimize task and project management with intuitive drag-and-drop functionality, customizable boards, and seamless organization, catering to students, professionals, and meticulous task trackers alike.

Certification:

IBM Front-End Developer Professional
Certificate
